- *Where to get the flu shot?
- *Who should or should not get it?
- *If I have COVID or am sick, should I get the flu shot?

The phone number is 808-691-8200. It is staffed by nurses and available from 8:00 a.m.-5:00 p.m. seven days a week.

“We are urging everyone in our community to get vaccinated against the flu. It is especially important this year since we want our hospitals to be available to all members of our community and not be overwhelmed with flu and COVID patients. Now is the time to take advantage of our flu shot clinics which we are making easily accessible for everyone,” said Jill Hoggard Green, President and CEO of The Queen's Health Systems.
