COLONOSCOPY SECRETS

Make Preparation More Comfortable

THURSDAY, JUNE 20

LIVE WEBINAR 12:00 PM – 1:00 PM

Preparing for a colonoscopy can be intimidating. It helps to focus on the goals of cancer prevention by the removal of pre-cancerous polyps, and early cancer detection.

Join **Dr. Traci Murakami** to learn more.

Topics to be discussed include:

- Tips for successful preparation
- Prep options
- Indications for colonoscopy

Traci Murakami, MD
Gastroenterologist
The Queen's Medical Center
